

## **PE Welfare Arrangements at Kirby Moor School**

Physical Education is a very important part of our Curriculum at Kirby Moor School. In order to provide the highest quality Physical Education teaching and learning we use some of the best sporting facilities in the local area.

Each class group attend a full morning or afternoon taking part in Physical Education. For their lessons they will need to be dressed in appropriate clothing. We will provide shorts and T-shirts for each pupil. However, we are aware many pupils would prefer to wear tracksuit bottoms. Please can you ensure they are plain black. They will also need trainers. We do not specify a colour or style.

Each of the sporting facilities have changing and showering facilities. We are happy for any of our pupils who would like to take a shower after PE to bring a towel and wash bag. Our staff will supervise the area very carefully so that the pupils can use the facilities safely. There may be times when the showering facilities are private cubicles in a larger room. Our staff will ensure that our pupils have private use of the area.
